

User Story	Stakeholder
As an employee, I want to be able to easily fill out my timesheets on the Tempus II system, so that I can accurately track my hours worked.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As a supervisor, I want to be able to approve my team's timesheets and have the option to add comments in order to request any necessary changes or modifications before they are sent to the client representative for final approval.	<input type="checkbox"/> Supervisor
As a client representative, I want to be notified when timesheets are awaiting my approval, so that I can quickly review and approve them.	<input type="checkbox"/> Client Representative
As a supervisor, I want to be able to view the cost rate for each employee on a project, so that I can accurately bill my clients.	<input type="checkbox"/> Supervisor
As an employee, I want to be able to see which holidays are observed by my company, so that I know when I am not supposed to be working.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As an employee, I want to be able to login to the Tempus system and access my timesheets so that I can accurately track my hours worked.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As a client representative, I want to be able to easily view and approve the timesheets of my assigned employees so that I can accurately bill for their hours worked.	<input type="checkbox"/> Client Representative <input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor

User Story	Stakeholder
As an employee, I want to be able to view my cost rate and billing information for the specific project I am working on. So that I can understand how much I will be paid for my hours worked.	<input type="checkbox"/> Project Resource
As an employee, I want to be able to forecast my hours for the remaining days of the month in case of an extended timesheet, and modify it if it turns out to be incorrect.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As a project resource, I want to be able to add comments to my timesheet to explain any overtime or additional hours worked, so that my supervisor can understand why I worked more than my standard hours.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As an employee, I want a way to know when I am not supposed to be working. Like holidays and company-specific days off.	<input type="checkbox"/> Project Resource <input type="checkbox"/> Supervisor
As an administrator, I want to be able to easily manage and modify user roles and permissions, so that I can easily assign and manage access to different functionalities of the Tempus system.	<input type="checkbox"/> Administrator
